I am a current fulltime college student seeking an internship to gain new valuable experience and enhance transferable skills. I want to learn excellent time management, adaptability, and problem-solving abilities. Eager to contribute positively to a dynamic workplace while expanding practical knowledge and honing professional competencies.

## EDUCATION

**Presentation College, Carlow.** 2018 – 2023

Graduated Presentation College, Carlow in 2023, was a student since 2018, pursued a diverse and comprehensive education. Gaining proficiency in various subjects.

**South East Technological University, Carlow.** 2023 – Present

I am currently studying Interactive Digital Art and Design. I am excited to complete this course and see what kind of skills I have acquired, and what opportunities open up to me in the end.

## PERSONAL INTERESTS

A creative enthusiast with a wide range of personal interests, including both traditional and digital art, allowing for the exploration of diverse artistic styles and techniques. Delights in discovering new music across various genres. I also love spending my spare time watching movies or playing video games with friends. Recently been hooked on a series called Invincible! Worth the watch, reading it is next!

## WORK

I currently work part time at KFC Carlow while in college, full time during holidays. I work front counter and have been gaining great customer experience skills, as well as learning great teamwork skills.
